

REMARKS

Responsive to the Notice of Non-Compliant Amendment mailed August 7, 2003, Applicants present hereinabove a complete listing of claims in this application.

In the Amendment filed on July 25, 2003, Applicants inadvertently neglected to cancel claims 17-39 and 42-69, as was indicated in the remarks section of that paper. These claims have now been canceled; the claims remaining in the application are claims 70-92.

This claims submitted with this paper are considered to be replacements for those submitted with the earlier paper, and therefore show "currently amended" and "new" status as they were shown in the earlier paper.

Respectfully submitted,
